ACLA Letter No. 03-02

TO: All County Lead Agencies (ACLA)**SUBJECT:** Substance Abuse and Crime Prevention Act of 2000-SACPA
County Liaisons

The Department of Alcohol and Drug Programs (ADP) continues to explore ways that we may improve our working relationship with the county agencies responsible for the continuing operation of the Substance Abuse and Crime Prevention Act of 2000 (SACPA). This letter is to notify you of a change in the person in the Office of Criminal Justice Collaboration (OCJC) who will now serve as the liaison to each county.

Attached is a list of the staff in OCJC assigned to each county along with the telephone number and email address for each staff person. The person listed for each county is the primary contact regarding the SACPA County Plan, reporting requirements, and regulations, etc., for that county. This will permit the staff from each county to develop a working relationship with a single point of contact in OCJC. All ADP personnel will be working together to assure that the counties continue to receive consistent and accurate information for implementation of SACPA.

We look forward to our continuing work with you for the successful continuation of SACPA. If you have any questions about this letter, please contact the person listed for your county.

Sincerely,

[Original Signed BY]

DEL SAYLES-OWEN
Deputy Director
Office of Criminal Justice Collaboration
